

Dragoo Adventure Rider Training (DART)

ADV Rider Resource List

It takes a village. Vendors, designers and innovators who create and supply the bits we enjoy deserve and need our support. Below are some proven providers who have earned the right to be recognized. I hope you will consider these businesses, these men and women and their products when you make your purchases. Ask me any time for details on why I recommend them.

Dealers:

Eurotek of OKC: <http://www.bmwcofokc.com/>

A.C. Spencer. Brick and mortar...where we touch, feel and buy the machines, parts and service that keep us rolling. BMW/Ducati/Triumph. And keep in mind A.C.'s Houston, Texas dealership: <http://www.bmwmotorcyclesofthewoodlands.com/>

Ajax Power Sports: <http://www.ajaxkawasaki.com/> One-stop shopping for all things Kawasaki/KTM/Can Am.

BMW Motorcycles of North Dallas: <http://www.bmwmotorcyclesdallas.com/>
Consider Carl Diehl's BMW of North Dallas if you live in the DFW area.

Riding Gear:

Klim: <http://www.klim.com/>

Gear up once, ride all day!

Moto-Skiveez: <http://motoskiveez.com/>

Unmentionables worth talking about. Moto-specific design for breathability, contact point protection and anti-fungal, de-funk, aloe fabric odor-resistance. Socks, shirts and undershorts made for what we do.

Tires:

Shinko Tires: <http://www.shinkotireusa.com/>

Performance and quality without the high price.

Soft Luggage:

Mosko Moto: <https://moskomoto.com/>

No-holds=barred luggage when you demand the very best.

Wolfman Luggage: <http://wolfmanluggage.com/>

Proven designs and excellent value.

Tow Straps:

Art Dakos, "The Strap Guy": <http://www.thestrapguy.com/>
When AAA is too far away.

Accessories:

Black Dog Cycle Works: <http://blackdogcw.com/>
Armor, lighting and other quality componentry. Simply the best skid plate available.

Touratech: <http://www.touratech-usa.com/>
Everything adventure bike-related from suspension to crash protection.

Hammerhead Moto: <http://www.hdmoto.com/>
Functional jewelry with their machined and forged shifter and brake levers.

Machineart Moto: <https://machineartmoto.com/>
Guard your bike's soft parts; fits like a pair of old Levi's.

Sargent Saddles: <http://www.sargentcycle.com/>
Nothing tops a happy bottom

Woody's Wheel Works: <http://www.woodyswheelworks.com/>
The toughest custom wheels anywhere.

Double Take Mirrors: <https://www.doubletakemirror.com/>
Mirrors that stay put, don't break, and fold away without cramping your style.

Trailmaster Adventure Gear: <http://www.tmadvgear.com/> Bags and bits of handy, hard-to-find goodies for the ride.

Clearwater Lights: <https://www.clearwaterlights.com/>
Full-functioning plug and play, born and bred in the USA.

Magazines:

Ride Texas: <https://www.ridetexas.com/>
DART Tips and more.

Roadrunner: <http://www.roadrunner.travel/>
Moving more and more toward adventure riding.

ADV Moto Magazine: <http://adventuremotorcycle.com/> Adventure on tap and my wife is Associate Editor.

Outdoor X 4: <https://outdoorx4.com/>
Wheels, four, two...any way you roll. Susan edits this one too and I often contribute.

Overland Journal: <http://www.overlandjournal.com/> Overlanding at its best, by any mode of travel.

Video:

Ned Suesse's video training on dual sport riding is excellent.
